B Day

Yearbooks are still on sale. You may purchase them for \$13.00 before school, during your lunch, and after school. If your yearbook is lost or stolen the office will not be able to replace it, so please make sure that you write your name on it as soon as you buy it. With the last day of school being just a few days away we also wanted to remind students that sharpie pens and writing on clothing are not allowed.

Oregon State University Extension "4-H" program invites all boys and girls under 14 years old to participate in its own soccer league during the months of June, July and August. If you are interested you may pick up a form in the office before school, during your lunch or after school.

Ms. White has three items that were left at GeerCrest Farms during the gardening field trip. There is a jacket, a hooded insulated jersey sweater and a drink container. Go to room 112 and describe your item to get it back.

TRiO will be having an ice cream party for it students today at 2:45 in room 208. Come celebrate the end of the year!
